### **Sanawar An Institute For Children, Bathinda, Punjab**

2020 - 2022

I completed my +1 and +2 here. I secured 83% marks in boards.

### **Chitkara University, Patiala, Punjab**

2022 - 2026

Pursuing Bachelor's degree in Computer Science.

## EXPERIENCE

---

At present, doing studies at Rajpura, Punjab's Chitkara University. I WANT TO LEARN NEW THINGS because I want to use my potential. I promise that if I am chosen, I will work tirelessly and dedicatedly since I think that consistency is essential for success.

I'm working on a project right now that has to do with a restaurant's website, in which we are using HTML, CSS and javascript.
